Top Materials: Glass ¾", Maple ¾", Ash ¾", Walnut ¾", Riverside Glass ¾" • Approx. Ship Weight: 10…
Made in America

The organic inspiration of our latest introduction, the Reuleaux Collection, celebrates the softer side of nature. The rounded, asymmetrical tops and elegantly tapered legs combine to mimic the gentle, rounded edge of a glacial pond, the languid meandering of a river estuary, or the smoothness of a river stone. Top materials available on Reuleaux tables are Glass, Riverside Glass, Ash, Maple, and Walnut. Designed by Bruce Andrews.
